TO OUR SUBSCRIBERS.

We desire to call attention to the printed addresses and dates on our papers. We shall be pleased to correct any errors that have occurred. Each subscriber's account is appended to his address.

Some of our subscribers owe for their subscription to both the Watchman and the Southron. In such cases we have put the amount due by them to Aug. 21. For instance: John Doe, 170 S. 2, 81, means that John Doe owes one dollar and seventy cents up to Aug. 21, 1881. This includes his indebtedness to both papers. In other cases, where but one paper was subscribed to, we have simply put the date of that subscription, indicating that the person owes from that date or has paid up to that date.

Crowded Out.

A communication from our correspondent, "Justice," was crowded out of this issue, on account of the lateness of its appearance. We will give it to our readers next week.

Ho! for Atlanta.

A colored woman attempted to steal a pair of braces from the clothing store of Mr. Morris, on last Wednesday. She was detected by a clerk, Mr. Isaac, who compelled her to pay for them. His mode of detection embodied a "Yankee trick," which he will reveal to any who may be interested.

Holding a Tight Grip on Nothing.

The Rome (Ga) Courier says that a man in that vicinity refused \$5 per thousand for his Confederate bonds, although he had enough of them to have realized \$2,000 at that price. This was just before the war closed and a large lot of cotton and invested every cent of the proceeds in negroes and Confederate securities, owing at the downfall of the Confederate Government 150 negroes and \$400,000 worth of Confederate bonds. The man is unrecruited, as is shown by his letter of refusal, which is as follows: Dear Sir: Your letter of the 27th to hand. I have a part of a wagon load of Confederate securities but I am holding them for \$1,000 per thousand. I expect one of these days that my children will get the full amount of my Confederate money, together with all my bank stocks. More unpromising things have come to pass.

Don't Pour Alcohol on the Fire. And don't take anything that alcohol in it to help kindle fires. Warner's Safe Kidney and Liver Cure is purely vegetable, and acts directly upon the kidneys and liver.

Godey's Lady's Book for November Opens with a beautiful Steel Plate engraving, "Recalled to Life," a richly colored double-page Fashion Illustration, with numerous engravings of various designs of the Latest Fashions. The Dress Pattern is a novelty in the fact that it is a Lady's Bodice without shoulder seams. The noilette is a thrilling story of land and sea, by Thomas S. Collier, entitled "Beyond." There are numerous shorter stories by good writers, Aunt Ruth's funny sayings, and indeed the general get-up of the magazine is worthy of all praise. One thing to be said of this old favorite is, that there is never any vulgarity or immorality in its pages, and, therefore, it is worthy of a place in any refined home. Any of our readers who do not take Godey's Book can be supplied, promptly, by leaving their orders at this office. We will furnish our own paper and the Lady's Book for the low price of \$3.75 per annum. As the next issue will close the current year, now is a good time to send in your subscription. The publication office is 1006 Chestnut Street, Philadelphia, Pa.

Almost Young Again. My mother was afflicted a long time with Neuralgia and a dull, heavy inactive condition of the whole system; headache, nervous prostration, and was almost helpless. No physician or medicine did her any good. Three months ago she began to use Hop Bitters, with good effect that she seems and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family." A lady to Providence, R. I. Journal.

Holloway's Pills-Never Despair. Something that never fails-Fever and Ague.-To the sick it is of life consequence. They are cured, whether from a national view of the disease or by the rules defined for the guidance of the profession, so long as the cure is certain and expeditious. To a suffering man the question on the relative merits of quinine or calomel is uninteresting. The faculty may wrangle and discuss their various theories, but Rev. Holloway's treatment dispels doubt ere the disciples of Esculapius have finished the first stage. Holloway's Pills are the only remedies which effect a speedy and radical cure without danger of a relapse. Important Caution.-None are genuine unless the signature of J. HAYDOCK, surrounding each box of Pills and Ointment. Boxes at 25 cents, 52 cents and \$1 each.

There is considerable saving by taking the larger sizes. HOLLOWAY & CO., New York.
